| The owner*, Yoshida Industry Co., Ltd. , of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on pending <b>reference</b> Application Number 10/670,770 , filed on January 22, 2003 , as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said <b>reference</b> application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending <b>reference</b> application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the <b>reference</b> application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                  |
| In making the above disclaimer, the owner does not disclaim the terminal part of any patent grant would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 11 reference application, "as the term of any patent granted on said reference application madisclaimer filed prior to the grant of any patent on the pending reference application," in the even on the pending reference application: expires for failure to pay a maintenance fee, is held une court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the das shortened by any terminal disclaimer filed prior to its grant.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 73 of any patent granted on said<br>y be shortened by any terminal<br>at that: any such patent: granted<br>inforceable, is found invalid by a<br>ar 37 CFR 1.321, has all claims |
